Public Hearing on LCISD Attendance Boundary Committee Recommendations

The LCISD Attendance Boundary Committee will make recommendations to the Board of Trustees for boundary changes for McNeill Elementary school for the 2011-2012 school year. If approved, students in Parkway Lakes would attend Hubenak Elementary. Before taking those recommendations to the Board, the committee will take input from the families affected by the proposed changes at a public hearing to be held on **Tuesday, March 1st at 7 pm** in the **McNeill Elementary Gym**. The committee will use this input to finalize their recommendation to the Board of Trustees. The committee's recommendations are based on the latest demographic projections, facility capacity, current student enrollment numbers and optimal utilization of existing facilities. The committee also looked closely at both long and short term needs to alleviate overcrowding while minimizing the movement of students from existing zones.

Consensus of the committee was to move forward with the boundary recommendations shown below.
