Second Public Hearing on LCISD Attendance Boundary Committee Recommendations

The LCISD Attendance Boundary Committee will make recommendations to the Board of Trustees for boundary changes for McNeill Elementary school for the 2011-2012 school year. If approved, students in Parkway Lakes would attend Hubenak Elementary. (Please review the map below.) Before taking those recommendations to the Board, the committee will hold a second public hearing to receive input from the families affected by the proposed changes on **Tuesday, April 5th at 7 pm** in the **McNeill Elementary Gym**. The committee will use this input to finalize their recommendation to the Board of Trustees. The committee's recommendations are based on the latest demographic projections, facility capacity, current student enrollment numbers and optimal utilization of existing facilities. The committee also looked closely at both long and short term needs to alleviate overcrowding while minimizing the movement of students from existing zones.
